

Consultative Sales Academy's Consultative Sales Certification (CSC) Outline of Investment

Consultative Sales Academy's CSC program includes a pre-curriculum assessment, a required introduction module and up to eight core consultative sales competency modules. To be certified, you must prove competence in all eight core consultative sales competencies by passing both the skills and knowledge and the behavioral application requirements.

Consultative Sales Certification Training Program

(Approximately 6 to 12 Months of Training, Coaching, Real-Life Application and Development)

More than a single training event, this is a comprehensive approach to developing a consultative sales approach and service competence. Learners participate in group activities, individual learning modules, on the job application, individual and group coaching sessions and individual feedback.
